- USMLE (II)
- USMLE (III)
- National Dental Examinations (I)
- National Dental Examinations (II)
- Northeast Regional Dental Board
- Massachusetts Dental Board Licensure
- Advanced cardiac life support
- Advanced trauma life support
- Basic life support

- CO2 laser techniques and applications
- Oregon Medical Boards Licensure
- American Board of Plastic Surgery

**HONORS AND AWARDS:**

**UNIVERSITY OF OREGON:**

1985-1988	Member of Honors College
1985-1988	Recognized on Dean's List
1986	International Cultural Student Program Award
1987	Robert H. Knapp Scholarship Award
1986	Frances P. Courteau Scholarship Award

**HARVARD SCHOOL OF DENTAL MEDICINE:**

1990	Selected to represent Harvard at the annual Massachusetts Dental Society Meeting
1991	Selected to represent Harvard at the annual Dental Students Conference on Research
1992	Student Research Fellowship award by American Assoc. for Dental Research (AADR)
1992	Was selected to represent Harvard at ADA/Dentsply competition in October
1993	Harvard Dental Alumni Gold Medal-class valedictorian
1993	Research Training Grant Award by HSDM
1993	Alpha Omega Achievement Award
1993	American Assoc. of General Dentistry Award
1993	American Assoc. of Oral and Maxillofacial Surgeons Award
1993	American Dental Society of Anesthesiology Award
1993	Quintessence Award for Research
1993	Elected to membership in Gamma Gamma chapter of Omicron Kappa Upsilon Dental Honor Society

**APPOINTMENTS/ HOSPITAL PRIVILEGES:**

- Clinical Assistant Professor, Department of Surgery, Division of Plastic and Reconstructive Surgery, Oregon Health Sciences University
- Oregon Health Sciences University-Child Development and Rehabilitation Center; Eugene, Oregon
- Mckenzie Willamette Hospital
- Sacred Heart Medical Center
- Mckenzie Surgery Center
- Oregon Eye Surgery Center

**MEMBERSHIPS, ORGANIZATIONS:**

1989	Boston Computer Society
1989-92	American Dental Association
1995-Present	American Medical Association
1995-Present	Massachusetts Medical Society
2002-present	Lane County Medical Society
2002-present	Oregon Medical Association
2004-present	American Society of Plastic Surgeons
2004-present	Northwest Society of Plastic Surgeons

### **MEDICAL/DENTAL SCHOOL ACTIVITIES & PRESENTATIONS AT THE SCIENTIFIC MEETINGS :**

1990	Poster presentation at the Annual Mass Dental Society Meeting
1991	Poster presentation at the Soma Weiss research day, Harvard Medical School
1992	Poster presentation at the Soma Weiss research day, Harvard Medical School
1992	Poster presentation at the annual meeting of American Assoc. for Dental Research
1992	Class representative on the Curriculum Committee
1993	Served on a specially appointed committee to review the pre-doctoral education program
2002	Paper presentation; The annual meeting of New England Society of Plastic and Reconstructive Surgeons
2002	Paper presentation; The annual meeting of New England Society of Plastic and Reconstructive Surgeons

### **PRESENTATIONS**

- Breast Reconstruction for Breast Cancer Patients- Sponsored by the American Cancer Society- Oct 2003
- KEZI news interview regarding Breast cancer reconstruction- Eugene Oct 2003
- Body Image and Wellness course- University of Oregon, Nov 2003
- Body Image and Wellness course- University of Oregon, Nov 2002
- Devastating Facial Traumas- Oregon EMS conference- Nov 2003
- Reconstruction of Facial Defects- Dermatology society meeting- Eugene Feb 2003
- Plastic Surgery Trauma- Eugene Fire and EMS departments
- Treatment of Extensor Tendon Injuries of hand- Emergency department of Mckenzie Willamette Hospital, 2003
- Facial Rejuvenation- Oregon Eye Center- May 2004
- Body Contouring After Massive Weight Loss- Gastric Bypass Support Group, May 2004
- Facial Rejuvenation- Northwest Aesthetics and permanent Cosmetics- July 2004
- Contour deformity preservation and avoidance of Frey syndrome following parotidectomy- Northwest Society of Plastic Surgeons- February 2005

-Served on the panel discussing the issues regarding practice set up for the new graduates of the plastic surgery residency; ASAPS meeting April 2005.

**RESEARCH:**

- 1985            Genetics:  
                  Study of genetic variability and behavior among four species of Drosophila, with Dr. S. Courtney. University of Oregon.
- 1986            Molecular Biology:  
                  Determining the effect of inserting multiple successive terminator sequences in the attenuation of transcription in vitro, with Dr. D. Hawley. University of Oregon.
- 1987            Biochemistry:  
                  Involved in a project studying some of the regulatory proteins in Escherichia coli chemotaxis, with Dr. H. Dalquist. University of Oregon.
- 1989-1993      Facial Engineering:  
                  Studying the use of osseointegrated implants as anchorage sites to apply external loads and modify craniofacial morphology, with Dr. D. Altobelli, Harvard Medical School.

**TEACHING EXPERIENCE:**

- 1986            Teaching assistant in calculus and general chemistry, University of Oregon.
- 1987            Teaching assistant in organic chemistry, University of Oregon
- 1992-93        Research assistant in oral biology and pathophysiology, Harvard University
